Good Sanitary Habits & Social Distancing are the Keys to continued good health! **Practice it Regularly!**

It is hard to believe that it is April already! Thankfully, the freezing snow and ice are behind us. I love the sunshine and the temperature is not where I like it yet, but I can make do.

AmazonSmile is available at smile.amazon.com on your web browser and can be activated in the Amazon Shopping app on your phone. When you shop, you'll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the added benefit that AmazonSmile will donate a percentage of your eligible purchases to the Tyler Area Senior Citizens Association (TASCA).

Board member, and Attorney, John Richard Kuna, will be presenting at our Annual Membership Dinner and Update of TASCA, a new program of deferred giving to benefit TASCA within the near future. Richard will be asking you to consider this question; Has TASCA done something good for you, then why not do something good for TASCA? For those that would like some assistance redrawing their wills to benefit TASCA, Richard is willing to donate his professional services, at no charge to you, to make a gift of this nature possible.

People seem more willing to be out and I am seeing more people enjoying the activities that we offer at TASCA. If you know of a new activity that you would like to see included at TASCA, please let me know, including the name of someone that could teach the activity to the rest of us.

My personal wish for you is that each of you continue to have good health, continue to come to TASCA and enjoy visiting with friends and participating in our activities. May you have a Happy Easter.

Pat

C/W Dances
